Consultation and Information

The club consults with its supporters on a regular basis through periodic Forums, and at least two forums will be held per season for Millwall fans. The club will ensure that notice of Fans' Forums is given on its website and in the matchday programme. At least one director and one representative from the football management will attend. The Forum would normally be chaired by the MSC Chair or, in their absence, one of the MSC Committee. Forums give supporters the opportunity to discuss significant issues relating to the club as well as ask questions and receive answers, subject to commercial confidentiality where appropriate. The club will provide a room with seating for the Forums and open the bar for refreshments.

If there is bad weather or fixture rearrangements or some other difficulty with a scheduled date, the club reserves the right to cancel and rearrange a Forum to a new date.

The club is committed to close liaison with the MSC (Millwall Supporters Club). Efforts are made during the season to hold monthly meetings with the MSC Committee with a director of the club being present.

The Club publicises its position on major policy issues in an easily digested format in the matchday programme, via the official website www.millwallfc.co.uk, and through press releases and social media including Facebook and Twitter. The club supports the Lions Live radio show and players and staff regularly contribute to the show which is aired weekly via the internet during the football season.

Ticketing

The club continues to strive for wider access to matches by offering a broad range of ticket prices.

The club will provide:

1. Concessions for junior supporters under the age of 16
2. Concessions for supporters in the 16-21 age range
3. A Family Stand for the exclusive use of family groups and junior home supporters (Contact Ticket Office on 0844 826 2004* or email tickets@millwallplc.com to join the family club)
4. Concessions for senior citizens (Age 60 or over)
5. Support for disabled supporters in wheelchairs and their personal assistants

*calls to this number cost 7p per minute from your BT Landline. Calls from other networks may vary and from mobiles will be considerably more.

The club will require evidence of age to be submitted prior to a concessionary ticket, or season ticket being issued.

The club's co-ordinator for disabled supporters is Shona Groves. Information is available on the club website under 'Tickets' - 'Disabled Info'.

Where disabled supporters require a personal assistant, proof of disability should be provided to the Ticket Office. This should be one of the following:

- Evidence of receipt of personal independence payments showing medium to high rate for mobility
- A statement of high mobility/living allowance from the Dept of Work & Pensions
- Evidence of receipt of severe disablement or attendance allowance
- A blind or partially sighted registration certificate
- A personal letter from the GP

Subject to the requirement for personal support being satisfied, the club will admit the personal assistant free of charge on the understanding that they are providing a service to the disabled supporter to enable them to access our facilities on a matchday.

Disabled supporters who have registered the requirement for a personal assistant may be refused entry if they seek to enter the ground unattended as the club does not provide staff for this purpose. No personal assistant may enter the ground using a free PA ticket if the disabled person to whom assistance is normally provided is not attending the match.

Ticket prices for matches in the EFL are generally finalised at the start of the season. Ticket prices for cup and other competitions have to be agreed between the two clubs and will be announced when agreed.

The club will seek to offer tickets at reduced prices in the early rounds of Cup and other competitions subject to agreement from the opposing club. Prices for later rounds will depend on the stage reached and the opponents.

The club has a small number of restricted view seats and the club's policy is to charge the standard price for these seats when they are sold.

A new ticketing system was installed during the summer of 2009. A website has been established for ticketing sales: www.millwalltickets.com. This enables supporters who have registered their details and/or joined the supporters club to purchase season tickets and match tickets online, including away match tickets. MSC members may have their match ticket added to their TeamCard so match access can be obtained by using the TeamCard without the need to queue to collect a paper ticket.

Discounts will be offered to members for match ticket purchases for our home League matches in advance of the matchday subject to conditions.

In the case of telephone booking, a service charge currently of £1.75 will be added to the match ticket price.

Different charges may be applicable to FA Cup matches or other big matches.

Where the club indicates to customers that postal booking is acceptable, all applications for tickets must be accompanied by details of the tickets required, a remittance for the correct amount in favour of Millwall FC, the correct voucher or MSC TeamCard details if required and a stamped addressed envelope.

The club is under no obligation to process applications for postal bookings when the application does not meet with the above requirements and is therefore incomplete.

The purchase of a ticket signifies acceptance of the official Ground Regulations and customers are expected to comply with the Ground Regulations and not engage in anti-social behaviour.

Breaches of the Ground Regulations may result in a ban from the club. The length of the ban may be linked to the severity of the breach. Any ban imposed would be subject to not less than a yearly review, if appropriate, and a dedicated appeals procedure.

A copy of the Ground Regulations may be downloaded from the club website under 'Club' - 'Ground Regulations'.

A copy of the stadium plan is available on this website under 'Tickets' - 'Stadium Map and Pricing'.

Season Tickets

The club will offer an Early Bird scheme for season ticket purchases. However, the relevant cut-off date will be strictly adhered to.

Proof of age is required when application is made to purchase a concessionary priced season ticket.

The club will arrange through an external credit agency a suitable scheme whereby customers may pay for season tickets by instalments. The interest rate or handling fee will be determined by the credit provider. Our current credit provider is Zebra Finance. All applications will be subject to status.

The club has no obligation to offer refunds on season tickets no longer required or in respect of matches not attended.

Season ticket holders that attend a match & have forgotten their TeamCard season ticket should visit the Main Ticket Office Enquiries Window prior to the match. It may be possible to issue a temporary ticket for the match so long as the season ticket has not been already used. The club may levy a charge if the season ticket is forgotten on a regular basis. Evidence of identity must be produced.

Allocation

The club will make available at least 5% of tickets to each match at The Den to non season ticket holders

Where tickets are sold for home matches for other competitions, the club will offer them for sale in the following order:

1. Season ticket holders
2. MSC members & Lions Cardholders
3. General sale

Where the club sells tickets for its away matches, the club will offer them for sale in the same priority. Season Ticket holders in the away ticket membership scheme will receive tickets for away matches and their debit/credit card will be charged accordingly.

Whilst the Millwall away ticket scheme is in operation, there will be no general sale. The home club determines the cost of these tickets.

When requested, season ticket holders, MSC members or Lions Cardholders must produce the appropriate voucher or their current valid Lions/MSCTeamCard.

The overriding principle when demand exceeds supply is to reward loyalty. The Loyalty Points Scheme will be used as a means of allocating tickets for the bigger games.

Refunds

Refunds are available on matchday tickets purchased for our home matches up to 24 hours before kick-off time. No refunds will be given on the day of the match or later. Booking or other fees paid are not refundable.

If a home match is postponed prior to kick-off, ticket holders are entitled to free admission to the rearranged home match or a refund. If a refund is required, the ticket must be returned to the Ticket Office not less than 24 hours prior to the kick-off on the new date.

Refunds will not be made if a home match is abandoned after kick-off. However, spectators are entitled to half-price admission to the rearranged home match so long as the matchday ticket or TeamCard evidencing the purchase of a ticket to the abandoned match is retained. The club will advise the procedure to be followed through the appropriate channels.

If an original TeamCard season ticket or MSC Membership card is lost, there is a charge of £10 for a new card to be issued. For Junior Lions lost cards, the charge is £5.

No duplicate TeamCards will be issued in respect of lost, stolen, or forgotten TeamCards on Members Only match days.

Membership Schemes

The club has an official Supporters Club known as MSC and an Away Ticket Membership scheme (for Season Ticket holders only). MSC Membership is open to all Millwall supporters so long as they are not banned or subject to an exclusion order. Away Ticket Membership allows the automatic purchase of away match tickets subject to terms and conditions

By joining the MSC, supporters can qualify to receive any benefits provided to members by the Club.

For season 2017/2018 the charge for adult membership is £20. If you join online via www.millwalltickets.com you will receive 300 TeamCard points. Juveniles under 16 can join the Junior Lions membership scheme for £10.

The benefits that the club gives to MSC members may be varied from time to time.

For 2017/2018, adult members can claim a £3 discount when purchasing a match ticket before matchday or receive 5% discount if purchasing a seat in the Executive Lounge. Members aged between 16-21 can obtain tickets at a concessionary rate, subject to conditions and proof of age. Junior Lions (up to the age of 15) can obtain a £2 discount for advance ticket purchase and a range of other benefits including invitations to parties, discounts and offers from our partners.

You do not have to be a member of the MSC to buy tickets for our home matches. However, all supporters that wish to attend matches at The Den designated as 'Members Only' matches will be required to join the MSC or they will not be allowed into the stadium. New applicants for membership may be required to provide proof of identity and address together with a current photograph.

When a match is designated as members only, notice will be posted on the website, in local newspapers, in the matchday programme, and on social media channels.

Season ticket holders are given free membership of the MSC. They receive benefits from the club that may be varied from time to time and do not automatically become entitled to all the benefits available to MSC members. If you purchase a season ticket and a membership, your entitlement to purchase tickets for the bigger matches will be the season ticket holder entitlement, not both.

The club allows supporters to elect a committee to represent the MSC. The Chairman of the MSC and the club liaise closely on issues affecting supporters and the MSC gives supporters the opportunity to air their views and meet the club's Chairman, team manager and officers at Forums.

The Lions Cardholders scheme is now closed. The club is providing to Lions Card holders discounts on match tickets and the ticket priority promised when the Lions Card Scheme was launched.

The Junior Lions organisers operate a selection process whereby Junior Lions can apply to be chosen as ballboys/girls and the matchday mascot at home matches. Application forms are available from the Ticket Office. There are age limits applicable.

Accommodating Away Supporters

Our policy is to allocate the Upper North stand to away supporters where the capacity is in the region of 2,200 seats. This is in excess of 10% of the capacity.

Where a large away following is expected, consideration may be given to opening the lower tier of the North stand. This is at the club's discretion and subject to the agreement of the Police & other authorities.

The club abides by EFL regulations governing the allocation of tickets to visiting clubs. However, if it is deemed necessary for reasons of safety, after consultation with the Police and other authorities, the club reserves the right to ban away supporters from the Stadium.

The club does not charge admission prices to supporters of a visiting club, which are higher than those charged to our own supporters for comparable accommodation.

Our concessionary rates offered to Senior Citizens (Age 60 or over) and junior supporters under 16 apply to supporters of a visiting club.

Merchandise

The club's current sponsorship obligations require a new home replica kit to be launched each season. Replica kits are unlikely to have a lifespan of more than one season.

The club will launch one new home kit, one new away kit and one third kit for the 2017/18 season. The dates of availability will be announced through local and social media and on the club's website.

Details of the next intended change of kits will be advised in the matchday programme, in local newspapers, on the club's website, and through social media.

The club carries out its obligations under EFL regulations to prevent price fixing in relation to the sale of replica strips.

The club offers refunds on merchandise in accordance with its stated policy and legal obligations. Proof of purchase is required. Videotapes, cassette tapes, computer software, DVDs and compact discs can only be exchanged if faulty.

Data Protection

The club ensures that all information held and processed complies with the principles of the Data Protection Act. All data and information is kept confidential and only used for purposes of which customers are aware.

Stadium Parking

The club has very limited parking facilities and there is rarely any availability on a matchday. Further information on how to get to the stadium is shown on the website under 'Club' - 'Getting to The Den'. The nearest rail station is South Bermondsey, which is one stop from London Bridge. The nearest London Overground station is Surrey Quays.

Catering Facilities/Hospitality

The stadium concourse offers a number of food and drink kiosks and unless restricted by the police or regulations of the competition, alcoholic drinks may be purchased. The kiosks do get busy on matchdays, particularly at half-time.

The club also has a matchday supporters bar known as Arry's Bar for use by its season ticket holders and members. There is a limit on capacity. The club's License does not allow Under 14s in the Supporters' Bar.

The club's main matchday restaurant is Kitchener's Restaurant. This can be booked by phoning 020 7740 0504 or 020 7740 0501, preferably no later than five days before the match

For information on hospitality, sponsorships, executive boxes or seating, phone 020 7740 0501.

We try to manage the business to manage and minimise any adverse environmental impact and achieve pollution prevention.

Stewarding/Crowd Control/First Aid Procedures

The stadium is all-seater and there are no standing areas.

The role of stewards is to look after the health and safety issues and not to be abused and threatened.

The main first aid facility is located in the lower west concourse near to gate W14. There is also a facility in the East (Dockers) stand.

No Smoking Policy

On 1st July 2007, the law prohibiting smoking in the workplace came into force and that includes all internal areas of any business. The club and all other EFL clubs must comply.

Therefore, on 1st July 2007, The Den became a smoke-free zone at any time. There will be no smoking permitted at any match or other event at The Den. This new legislation has been incorporated into the Ground Regulations.

Supporters will be required to extinguish their cigarettes before entering the stadium.

There will be no opportunity to leave the internal area of the stadium during a match to smoke outside the building as re-admission will not be permitted. However, where possible, the club will make available areas outside the stadium so that supporters may smoke at half-time, but this will not be possible for the North West end of the West Stand.

Supporters must not smoke in the toilets at any time.

Non compliance with the legislation and the Ground Regulations will result in ejection from the stadium. The club is obliged to enforce this policy as it can be fined or prosecuted if it does not do so.

Any supporters and visitors found smoking on the premises will be liable personally for fixed penalty fines that may be levied and/or criminal prosecutions that may be brought by the appropriate authority.

Matchday Text Line

The club asks supporters to say 'No' to anti social behaviour; foul, abusive, homophobic or racist language. Inform a Police Officer or steward or text a block and row number to 07765 465 749.

Community Activities

The Millwall Community Trust is a registered charity and whilst formally a separate company to the club, it is effectively the community department of Millwall FC. Created in 1985, the original brief was to bring the club closer to the local community by opening up the club's facilities to the local community. The Trust's offices are at the Lions Centre next to the main stadium, and its principle objectives remain true today.

These are as follows:

1. To provide sporting, educational, social and healthy lifestyle opportunities to the residents of the London Boroughs of Lewisham and Southwark at affordable prices.
2. To encourage more people, especially children, to participate in and watch football from grass roots to elite level. This includes offering a coach education programme to develop coaches and managers, and working with the Millwall FC Youth Department to identify talented youngsters to participate in the youth programme.
3. To use sport as a vehicle to engage young people in constructive activities, helping to address social issues such as anti-social behaviour and criminal activities, to support people into education, training and employment through coach education courses and to provide health benefits through participation in physical activity.
4. To promote closer links between Millwall FC and the local community, and thereby encourage more people to become interested in and support Millwall FC.
5. To open the facilities of the Lions Centre to the local community and offer them the opportunity to play a variety of sports, not otherwise available in the local area. This includes the state-of-the-art indoor AstroTurf centre at the rear of the Lions Centre which offers an all year round football facility to the local community as well as commercial and other organisations. The facility uses third generation Astroturf, and meets FA Regulations for Academy usage in terms of size and standards and includes player changing facilities and a spectator area. There is also full disabled access.

The Trust is funded through a range of sources including grants, fees from schools coaching, soccer schools and coach education and training, and hire of the Lions Centre. Sponsorship is always welcomed.

The club and its players fully support the Trust and its activities.
